Editing Figures

In this file, we will edit the width of the figure to make it fit more properly.

We will also add a caption for the image.

Changing width of image

Adding caption to image

Figure 1: *Your Name*: also known as **Kimi no Nawa** is a masterpiece of an Anime movie. Watch it.

Calling the figure

Here we can mention the correct figure number of a figure with needing to write it don ourselves

Let us use the same image

Kimi no Nawa or *Your Name* is a masterpiece of an Anime movie . A picture of it is shown in Figure 2

Figure 2: *Your Name*: Also known as **Kimi No Name** is a really good movie. Watch it.
